Financial matters to-day assumed greator solivily in the lims of discount offerings, while a corresponding leading is notice. able in current counter business. De-posits are much smaller than they were a week since, and all evidences point to a lower volume of city balances. Checking is also active, but very little increase is noticed over that a month since, As a noticed over that a month since, As a local column of city all paper maturing library. Solumn and the column of city balances. Checking instead opens allowed the column of city balances. Checking instead opens allowed the column of city balances. Checking instead opens allowed the column of city balances. Checking instead opens allowed the column of city balances. Checking instead opens allowed the column of city balances. Checking instead opens allowed the column opens of city balances. Checking instead opens allowed to column opens allowed the column opens of city balances. Checking instead opens allowed to column opens allow positived ever that a month sines. As a 1401 general rule, nearly all paper maturing 150% to-day was promptly met, and but few 1700 applications for time extensions were balled in ale. Bank rates of discount are 10g12 11 er cent, at which rate, it is claimed by ome, they could lose nearly all their sur-Ext. mange is somewhat scarce, and the usual account of correctly is being shipped to the North and East. During the past week nearly \$80,000 have been sent to St. Louis, Cinconnati and Naw York, Culton oills are offering sparingly, but as transactions in the staple were better Ioday, offerings will be larger on Saturday; and declupes to morrow. The hursing arts of the correct in New Obligation.

and perhaps to morrow. The buying rate is par, with exceptions at 12 promium. Sight drafts on Eastern cities are bought at 4 50 feet 100 per \$1000 premium. Very little Southern exchange offers. New Ocleans bills are bought at \$60 kd discount.

Gold is in request at 110%@110%, \$4000 was bought by one dealer to-day at 110% and \$2000 told by another at 111%; allver is quared at 00(200), having for both at 00 (200). quoted at 04 (20%, buying for halves

and quarters.

Leaf involved at \$10,000 kg, buying for halves and quarters.

Leaf involvements were quiet and excepting one or two transactions in city bonds, little of interest transpired. \$7500 in old city bonds was purchased by a broker and transferred to a dealer at \$15, \$200 in occurs honds was purchased by a broker and transferred to a dealer at \$15, \$200 in occurs honds were sold at \$50, Memphis and Charleston railroad stock was inrequest at \$30, but could not be found at unst figure, dealers who had it offered is at \$75. Mississippi and Tennessee railroad estock is quiet and quotations the same as lest reported. County warrants are alparently neglected, there are those, however, who continue to buy at r tes above those paid by dealers which is 72-selling rates are \$46.75.

There is a fair inquiry for Tennessee benefit advanced again in New York to day, as will be seen by our dispatches.

The rates of friight on count to Eastern points have not as yet undergone any change, and several of the lines continues to by the svertised rates of friight per river from \$1. Louis to Southern points, that the discrimination against Memphis, twenty events per one humbred pounds; to New Orleans, the rate on new forms, and in the same proportion on all other city is thirty contagent that the mixture be taken into consideration at the same trocking of our Chamber of Commerce, and a committee appointed to the city is thirty contagent to the city is thirty contagent to the city is there contagents, the rate on new flour to this city is there contages that the morning he day from the levee at the outside price. But a morning the day from the levee at the outside price and forms, and nominal. Corn meal the same treesing of our Chamber of Commerce, and a committee appointed to the city is the two consideration at the next meeting of our Chamber of Commerce, and a committee appointed to the city is the condition of the condition of the same treesing of our Chamber of the city is the condition of the condition of the condition
